**Our Broomfield and Crescent Grange 2026 History Lecture Series:
Broomfield's Beginnings**

2026 kicks off Colorado's 150th anniversary celebration, its sesquicentennial, coinciding with America's 250th (semi sesquicentennial) celebration. On top of that, it is the 65th Anniversary of the City of Broomfield and the 25th for Broomfield County! A series of related local events is planned for the full year, and as part of that, we are excited to reprise the **Our Broomfield History Lecture Series** produced in partnership with the Crescent Grange.

Have you wondered about how Broomfield came to be? The Broomfield History Speaker Series presented by *Our Broomfield* Magazine and the Crescent Grange will dive into numerous aspects of our community and tell the stories of the creation of Broomfield.

The 2026 series kicks off on **January 20 from 6:30 p.m. to 8:30 p.m. at the Crescent Grange** with an introductory presentation about the beginnings of Broomfield and the Crescent Grange. Join Our Broomfield Editor and Publisher Tina Eichner, Broomfield Museum Coordinator David Allison, and Crescent Grange President Barbara Gehring for an evening of storytelling about the early days of Broomfield.

The speaker series format will be a one-hour live, in-person topical presentation with a local "expert" or panel aligned with the topic of the day, interviewed by a moderator. Each program will include 30 minutes for audience Q&A and 30 minutes for light refreshments and socializing/networking. For more information visit: <https://www.crescentgrange.org/>.
